

## **Vassileios Tefas**

Mr Vassileios Tefas is the Managing Director of Cleopatra Marina in Preveza. He was born in Preveza on the 9<sup>th</sup> December 1985.

He holds a B.Sc. in Naval Architecture and Marine Engineering from the National Technical University of Athens and an M.Sc. in Accounting, Finance and Management from the Technological Institute of Epirus. He has successfully fulfilled the Advanced Marina Management School.

He started his career as an undergraduate in the Neorion S.A. shipyard in the island of Syros. After completing his studies he started working in Cleopatra Marina, serving as the Technical Director for five years, before being appointed as Managing Director.

From 2012 he was a Project Management Consultant in the construction of the newly built Preveza Marina.

He participated as a consultant for the consortium that was eventually announced as the preferred investor of the Marina of Chios by the Hellenic Republic Asset Development Fund.
