

## Evangelos Vlachos

Marina Manager

Development of New Alimos Marina S.A.

Born in Athens in 1981, he is a Mining Engineer graduate of the National Technical University of Athens (NTUA), and holds a Master's degree in Design and Construction of Underground Works from the same institution. He began his professional career in 2008 as a freelance engineer specializing in geotechnology, focusing on mine supervision, operations, and environmental compliance.

In 2011, he entered the field of local government as Special Advisor to the Mayor of Karpenissi for public works and subsequently served as Head of Staff to the Regional Governor of Central Greece until 2019. From 2019 to 2022, he held the position of Chief Executive Officer at the Athens Development and Destination Management Agency (ADDMA S.A.), contributing to strategic initiatives in urban regeneration, infrastructure, and tourism development.

He currently serves as Marina Manager Development at New Alimos Marina S.A., part of the ELLAKTOR Group. With more than seventeen years of senior management experience in private and public administration, strategy, and infrastructure development, he combines engineering expertise with strong leadership and an innovative mindset to drive sustainable and socially impactful growth.
