

## **STAVROS KATSIKADIS**

**Naval Architect & Marine Eng. MSc., MBA**

**President of the Board, Greek Marinas Association**

**Managing Director, LAMDA Marinas Investments S.M.S.A.**

Mr. Stavros Katsikadis is the President of the Greek Marinas Association and Managing Director of LAMDA Marinas Investments.

Stavros is the Head of LAMDA Development marinas, currently Flisvos and Agios Kosmas Marina. With 25 years of experience in the Marine Industry, he gained significant maritime experience as an engineer on seagoing ships of Bilinder Marine Corp. (Latsis Group) and later as technical superintendent at Consolidated Marine Mgt. In 2004 he moved to the field of Maritime Tourism as General Manager of Flisvos Marina during its development and later as CEO of LAMDA Flisvos Marina S.A.

Stavros is a graduate of the Naval Architecture and Marine Engineering Department of the National Technical University of Athens. He has taken part in an EU postgraduate program, and he also holds MBA degree from the ALBA Graduate Business School.

Elected President of the Board of the Greek Marinas Association consecutively since 2011 to offer services in a critical sector of the Hellenic Sea Tourism.

Member of: ICOMIA Marinas Group, CEO Clubs Greece, Technical Chamber of Greece, Association of Chief Executive Officers, Hellenic Institute of Marine Technology, Society of Naval Architects & Marine Engineers and St' Nicholas Business Club.
