

VASILEIOS TEFAS

Naval Architect & Marine Eng. MSc.

Managing Director Cleopatra Marina S.A.

Vice President of the Board Greek Marinas Association

Mr. Vassileios Tefas is the Managing Director of Cleopatra Marina in Preveza. He was born in Preveza on December 9, 1985.

He holds a B.Sc. in Naval Architecture and Marine Engineering from the National Technical University of Athens and an M.Sc. in Accounting, Finance and Management from the Technological Institute of Epirus. He has also successfully completed the Advanced Marina Management School.

Mr. Tefas began his career as an undergraduate trainee at Neorion S.A. Shipyard on the island of Syros. After completing his studies, he joined Cleopatra Marina, where he served as Technical Director for five years before being appointed Managing Director.

Since 2012, he had also an active role as a Project Management Consultant during the construction of the Preveza Marina. He is currently the CEO and Project Manager of the Chios Marina construction project.
